Beach Resort Directory for

Dive Safaris 2013 – 2014

Most divers opt for staying at a beach resort on our dive safaris. We have contracted a variety of beach resorts where we stay on our trips.

Where exactly we stay on a dive safari is subject to availability.

Here is a list of the beach resorts and their websites where we stay overnight on a safari as well as the resorts where we can book accommodation for you before and after the dive safari.
